

NODAWAY VALLEY FEEDERS

A DIVISION OF NEW BALANCE COMMODITIES

FEED YARD MANAGEMENT INTERNSHIP

New Balance Commodities is a cattle feeding company, and we strive to be the best cattle feeding partner in the world. We partner with mid-market cattlemen in the central United States and have office locations in Omaha, Nebraska and Nodaway, Iowa. **Nodaway Valley Feeders** is a modern cattle feeding organization that takes pride in our leadership role by shaping other area cattle feeders. We feel there are ample amounts of opportunity in our industry that will personally grow each of our teammates involved.

Overview:

During your time at Nodaway Valley Feeders, you will learn several aspects of running a successful feed yard. With low stress cattle handling and comfortable living conditions, Nodaway Valley Feeders will teach you animal husbandry that leads to a greater rate of gain. You will work hand-in-hand with our team members to learn the day-to-day tasks at this operation.

Learning Opportunities:

- Cattle processing protocol
- Animal Health
- Low Stress Cattle Handling
- Bunk reading and nutrition
- Buying and selling cattle
- Feed delivery
- Shipping and receiving cattle
- General maintenance
- Feed procurement needs
- Becoming BQA certified

Qualifications:

- Leadership potential
- Strategic thinker and problem solver
- Strong work ethic
- Passion for the cattle industry
- Ability to work with little supervision
- Ability to work as a team
- Operate equipment
